MENU

Traditional Thai Massage (Watpo)

Full body

Traditional Thai massage is a deep, full-body massage that focuses on the energy lines throughout the body, with the aim of clearing blockages in these lines, and thus stimulating the flow of blood and lymph throughout the body.

Additional R50 per treatment

Thai Sports Massage

This massage is ideal for the sports enthusiast from weekend joggers to professional athletes whose muscles and joints require pressure-point therapy using soothing oils to relieve tightness, stiffness, aches and pains.

Additional R50 per treatment

Thai Aroma Hot Oil Massage

Full body / back, neck and shoulder

Aromatherapy is the art and science of utilising naturally extracted aromatic essences from plants to balance, harmonise and promote the health of body, mind and spirit. **(soft / medium / strong)**

Body Scrub & Polish

(45 Minutes, includes head massage)

The scrub will clean your skin and enhance tissue regeneration and healing. A body polish is truly a skin exfoliation technique and is designed to invigorate and rejuvenate your skin, by scrubbing off hard, dead cells, and revealing a layer of shiny, soft, moisturised skin underneath.

Thai Hot Herbal Compress

A light to medium massage.

The herbal compress is a combination of special herbs that improve blood circulation and alleviate muscle tension

Additional R50 per treatment

Hot Stone Massage

Heated basalt stones are placed at specific points on the back and hands in alignment with the energy centres of the body. The heat warms and relaxes the muscles, which improves circulation and calms the nervous system. Used in conjunction with Thai massage, it has the ability to rebalance the body and mind.

Additional R50 per treatment

Thai Foot Massage

Feel stress and tension melt away as your feet are being gently massaged along acupuncture points. Applying pressure to these reflex areas can promote health in the corresponding organs through energetic pathways.
